JAMES REED INJURED.

Mr. James Reed, struck his leg against a case of ice in such a manner as to bruise it severely. It became very much swollen and pained him so badly that he could not walk without the aid of crutches. He was treated by physicians, also used several kinds of liniment and two and a half gallons of whiskey in bathing it, but nothing gave any relief until he began using Chamberlain's Pain Balm. This brought almost a complete cure in a week's time and he believes that had he not used this remedy his leg would have had to be amputated. Mr. Reed is one of the leading merchants of Clay Court House, Va. Pain Balm is unequalled for sprains, bruises and rheumatism. For sale by all dealers, Benson Smith & Co., general agents for Hawaiian Islands.
